Unmatched Service**

The Indian Market has wide demand of small LPG Cylinders. But cylinder available in market does not meet required safety standard and features, thus compromising the safety of the user. To overcome this problem of small cylinder user, IBPL has launched IBP Gas Chotu having high safety features and accurate weight.

The launch of this facility from corner stores/supermarkets is a major milestone and will be a new step in the direction of making available LPG freely through easily approachable sales points, viz. local corner stores

Now, it is the best choice in its category because of its easy purchase and wide availability with high quality and safety standard.

**Benefits of IBP Gas Chotu:**

- ☞ Easy refundable deposit
- ☞ Easy to Handle
- ☞ Low connection charges
- ☞ Safe and strong cylinder
- ☞ Easy to buy
- ☞ Low gas price
- ☞ Accurate weight
- ☞ Easily available
